

**“Strong photon-photon interactions, magnetic polarons and strings with cold atoms and van der Waals materials”**

**Prof. Dr. Georg Bruun**  
Department of Physics and Astronomy  
Center for Complex Systems, Aarhus, Denmark

**Mittwoch, 15.02.2023 17:00 /17:30 Uhr**  
Physikalisches Institut, INF 226  
Konferenzräume 00.101 – 00.103
